BRAKE BOSS™

The **Brake Boss** is the most complete slack adjusting wrench available on the market for both **Manual & Automatic Slack Adjusters!**

EZ CHEK™

Truck Air Brake Adjustment Indicators

With EZ CHEK™ installed on all your brake chamber push rods (both tractor and trailer) it's quick & easy to VISUALLY CHECK your brake adjustment.

Frequent inspections can:

- Keep a check on your automatic slack adjuster.
- Promote early detection of brake parts failure.
- Help to keep EQUAL adjustment of all brakes.
